NOTES: (1) The amounts provided in the 2000 Appropriation column are estimates and may differ significantly from the actual amount.

(2) Under the terms of the Education Department Appropriations Act, the total for the Department's fiscal year 2000 discretionary budget authority must be reduced by 0.38 percent; within this total, an individual program may be reduced anywhere from 0 to 15 percent. Decisions on reductions have not yet been made and, therefore, are not reflected in the estimates in the 2000 Appropriation column above.

(3) In fiscal years previous to 2000, funds for Services for Older Blind Individuals were distributed on a competitive grant basis.

(4) In fiscal year 2000, funds for Leveraging Educational Assistance Partnership include Special LEAP because the program total exceeds \$30 million.

(5) Amounts for ESEA Title I Accountability Grants, first funded in fiscal year 2000, are included under Grants to Local Educational Agencies.
